

# STYLAGE bracket

The STYLAGE bracket - just like the luminaire of the same name - combines a classic style with a touch of modernism. It creates a distinctive ambiance for both historical centres, to respect their character, and more modern spaces and environments.

This large family of brackets adapts to your needs by offering multiple variants (single, double, lateral and wall).

It is made of die-cast aluminum and is available in all standard Schröder colours.

Certified for the loads defined in EN40, the STYLAGE bracket range can be installed on poles for CE marking.

## Technical information

### GENERAL

Housing	Die-cast aluminum
Finish	Polyester powder-coating
